

Montcalm Community College

Part-time Instructor – Mathematical Investigations

MATH 102 Montcalm Community College is seeking candidates to teach part-time in Mathematics.

This is a terminal course in mathematics intended to satisfy the mathematics general education requirement for students pursuing bachelor's degrees. Topics covered may include set theory, logic, voting methods, probability and statistics, finance, linear programming, modeling, graph theory, number theory, and geometry.

OFFERED: fall and spring semesters

Qualifications:

- Master's degree from a regionally accredited university with a minimum of 18 graduate credit hours in the discipline
- Three years teaching experience, preferably post-secondary
- Commitment to community college philosophy
- Understanding of and experience with technology as a learning tool, both within and outside the classroom

Immediate Supervisor: Dean of Arts & Sciences

Remuneration: Beginning pay rate for adjunct faculty is \$632.95 / contact hour

Application Deadline: Until filled

Start Date: Upcoming semester

Method of Application: Complete an on-line application at <http://www.montcalm.edu/employment> and attach your cover letter, detailed resume, transcripts, certification(s) and three reference letters.

It is the policy and practice of Montcalm Community College to provide equal educational and employment opportunities regardless of race, sex, pregnancy, color, religion, national origin or ancestry, age, marital status, height, weight, disability or veteran status, or genetics in all programs, activities, services, employment and advancement including admissions to, access to, treatment in, or compensation in employment as required by state and federal law. In addition, no person, on the basis of sexual orientation, gender identity, or gender expression shall be discriminated against in educational programs, activities, or admissions. Arrangements can be made to ensure that the lack of English-language skills is not a barrier to admission or participation.
