

Carl D. Perkins Grant Cost Assistance Program – Fall 2019

The Carl D. Perkins Grant Cost Assistance Program is a *supplemental* program designed to help <u>targeted</u> <u>segments</u> of the student population who have a difficult time fully financing their studies. The program is federally funded, and the resources are limited. The Perkins Grant can provide financial support for 2 areas: transportation and/or childcare. *The application deadline for the fall 2019 semester is September 4, 2019.* Final awards cannot be determined until after the semester drop period ends.

Certain conditions must be met to receive aid through the Perkins Grant:

- You must have completed a career assessment inventory and the results must be on file in Student Services. The options available are Career Cruising, Discover, Myers-Briggs Type Indicator, and Strong Interest Inventory.
- You must have completed assessment testing ACCUPLACER, ACT, COMPASS, or SAT in reading, writing, *and* math. Scores must be on file with Student Services.
- You must have met and discussed your career goals with an academic counselor/advisor.
- You must be in an eligible program of study (see next page).
- You must be enrolled at least half-time (fall and spring 6 or more credits; summer 3 or more credits).

Aid eligibility for the Perkins Grant depends on financial need, based on the FAFSA information. <u>If you are</u> ineligible for financial aid, you are likely ineligible for aid through the Perkins Grant.

Additionally, you must meet one or more of the following criteria:

- Individuals with disabilities*
- Individuals from economically disadvantaged families, including low-income youth and adults
- Individuals preparing for non-traditional fields
- Single parents, including single pregnant women
- Out-of-workforce individuals
- English learners*
- Homeless individuals described in section 72 of the McKinney-Vento homeless Assistance Act (42 U.S.C. 11434a)
- Youth who are in, or have aged out of, the foster care system
- Youth with a parent who is a member of the armed forces and is on active duty

* This category must be verified by the Special Populations Counselor

NOTE: Only classes that are a part of the approved program of study in which you are enrolled are eligible for funding through the Perkins Grant. Online courses are not eligible for transportation or childcare reimbursement.

Transportation costs are reimbursed at the rate of \$0.40 per mile from home to class location. Extra trips to campus and other locations will not be reimbursed. Reimbursement, in the form of a fuel voucher, will be awarded dating back to the start of the semester with proper documentation. **Instructors must write in hours and sign Attendance Verification forms.** Students must submit the signed Attendance Verification Form to Student Services by specified deadlines so that mileage may be determined and approved for awarding of fuel vouchers. Due to limited resources, this funding is NOT GUARANTEED throughout the semester.

Childcare costs are reimbursed at an hourly rate of \$2.50 per child with a maximum amount per student per semester. The grant will only pay for required time actually spent in class; hours spent in travel and studies are not covered. Funding can only be provided for children who are in a licensed daycare setting or cared for by a licensed or regulated provider. The provider's license or registration number must be provided before any checks will be issued. Checks will be issued and sent directly to the provider named on the Childcare Provider Statement; checks for daycare cannot be issued to the student. The student is always responsible for the balance due to the provider.

It is the student's responsibility to complete the application. Be advised that class schedule changes might affect eligibility to receive aid through the Perkins Grant. Any schedule changes must be reported to the Perkins Grant contact in Student Services. Failure to report changes may result in withdrawal of all aid from the Perkins Program. Willfully misleading information will result in withdrawal of all aid from the Perkins Grant for the current semester as well as disqualification for future applications.
