

Part-time Instructor – Anatomy & Physiology I (4 Credit/5 Contact Hours)

BIOL 202 - is an introduction to basic structural and functional aspects of the human body. The contribution of each body system to the total well-being of the individual is emphasized, as well as the interdependence of the body systems. Specific topics studied include anatomical terminology, chemical basis of life, cells, cellular metabolism, tissues, integumentary system, skeletal system, muscular system, nervous system, and special senses. Special emphasis is placed upon homeostatic mechanisms whenever feasible. Laboratory exercises include dissection and physiological experiments pertinent to the topics covered. Students have an option to observe a human cadaver. OFFERED: every semester

Qualifications:

- Master's degree from a regionally accredited university with a minimum of 18 graduate credit hours in the discipline
- Previous teaching experience preferred but not required
- Commitment to community college philosophy
- Understanding of and experience with technology as a learning tool, both within and outside the classroom

Immediate Supervisor: Vice President of Academic Affairs

Remuneration: Beginning pay rate for adjunct faculty is \$660.46 / contact hour.

Part-time faculty may take one class per semester tuition free (must be used in the semester in which they teach or the semester immediately following)

MCC will pay adjunct instructors' mileage up to 70 miles round trip at the current IRS mileage rate. This is based on 50 miles one-way, with no mileage being paid for the first 30 miles round trip.

Application Deadline: Until filled

Start Date: Future Semester

Method of Application: Complete an online application at <http://www.montcalm.edu/employment> and attach your cover letter, detailed resume, transcripts, certification(s) and three reference letters.

If you have questions, feel free to contact: Madison Morgan, Human Resources Assistant at madison.morgan@montcalm.edu

It is the policy and practice of Montcalm Community College to provide equal educational and employment opportunities regardless of race, sex, pregnancy, color, religion, national origin or ancestry, age, marital status, height, weight, disability or veteran status, or genetics in all programs, activities, services, employment and advancement including admissions to, access to, treatment in, or compensation in employment as required by state and federal law. In addition, no person, on the basis of sexual orientation, gender identity, or gender expression shall be discriminated against in educational programs, activities, or admissions. Arrangements can be made to ensure that the lack of English-language skills is not a barrier to admission or participation.
