# Fall is the best time of year to start fresh!

Montcalm Community College is ready for you with in-person classes as well as online and hybrid options to meet your needs.

We're excited to unveil our MCC Express program this fall, which will partner you with a "conductor" to answer your questions and help you every step of the way while you are an MCC student. No question is too big or too small for our conductors. They are here to help you feel comfortable throughout your college journey and get the most out of your college experience.

Are you unsure about your college major? If so, we have a career advisor that can help find your strengths while also looking at the best career fields with the highest growth rates. This is a free service and can save you a lot of time and money.

Did you know that MCC offers the same classes at lower prices than universities and private colleges? You don't have to compromise quality for convenience or cost. We're talking tens of thousands of dollars in savings each year. Plus, our classes transfer all over the state and across the country if you decide to move on to finish a bachelor's degree or other credential.

With 59 degrees, certificates and job training programs to choose from, your opportunities are endless. With an average class size of just 15 students, you get personalized instruction at MCC. And you can actually talk with your instructors! They are accessible and here for you.

Over the past year, we have invested heavily in technology to provide the highest quality experiences in the classroom. We are also renovating the building that houses our nursing program as well as courses in science, technology, engineering and math (STEM). Just think, you could be part of our first classes in the new space!

Montcalm Community College features campuses in Sidney and Greenville with a focus on extraordinary service for our students. Join us this fall to see why our size is our advantage. "Community" is our middle name at MCC, and we hope you will become part of our student community.

Personally, I am happy to share with you that my daughter, who is just graduating high school, will enter as a college sophomore this fall. I believe in MCC so much, my own family attends!

## General Information

### **Transfer and articulation**

Students can start at Montcalm Community College, complete general education requirements at a fraction of the cost of attending a university or private college, and still go just about anywhere from here to continue their education.

MCC offers 59 associate degree, certificate and job training programs. The highest degree offered by MCC is the associate degree. Any degree completed at MCC can serve as the starting point for a bachelor's degree, although transfer credits may differ based on program, type of classes and transfer school and major.

MCC participates with the Michigan Transfer Agreement (MTA), which allows students to complete general education requirements at one college or university, then transfer those courses to meet general education requirements at another college or university, without any special exceptions.

Articulation agreements also provide options for seamless transfer into a variety of advanced-degree programs at other institutions.

Academic advising is available to help students determine their program options, course selections and transferability. An appointment may be made by contacting MCC's Student Success Center at [studentsuccess@montcalm.edu](mailto:studentsuccess@montcalm.edu) or call (989) 328-1264.

## **General information**

### **Academic Advising**

Students are encouraged to meet with a counselor or academic advisor prior to registering. For an appointment, contact MCC's Student Success Center by emailing [studentsuccess@montcalm.edu](mailto:studentsuccess@montcalm.edu) or calling (989) 328-1264. Transcripts from high school and any colleges attended should be on file at MCC as well as orientation and assessment testing results before

meeting with an academic counselor or advisor.

### **Assessment**

Academic assessment using ACCUPLACER is required for all students pursuing a program of study at MCC or who wish to enroll in a course with a test score listed as a prerequisite. ACT and SAT test scores from within the past five years also are accepted. For information about test score requirements, visit [www.montcalm.edu/accuplacer](http://www.montcalm.edu/accuplacer). Test scores must be on file in Student Services. New students must complete and submit an Application for Admission prior to testing. Students exempt from testing are those who have previously completed the ACCUPLACER test, have earned an associate or bachelor's degree, are age 60 or older, audit classes or obtain a waiver from the instructor.

### **Auditing a Course**

Those wishing to audit a course must complete and submit a Course Audit Form, available in Student Services or from <http://my.montcalm.edu> under the forms link on the Academics tab. Audit status must be indicated at the time of registration. Students do not receive credit or a grade for audited courses and are not eligible for financial aid or veterans benefits. Completed audit forms can be turned in at registration or faxed to the attention of Enrollment Services at (989) 328-1203 or emailed to [registerhelp@montcalm.edu](mailto:registerhelp@montcalm.edu) (please include Course Audit in the subject line).

### **Corequisites and Prerequisites**

A prerequisite is a requirement that must be successfully completed prior to enrollment in another course. A corequisite is a requirement that must be completed before or at the same time as another course. All exceptions require written departmental approval.

### Tuition & Fees

Please visit [www.montcalm.edu/tuition](http://www.montcalm.edu/tuition) for current tuition and fee information. Tuition and fees are subject to approval of the MCC Board of Trustees.

### Residency

Residents of the MCC district have lived in the Carson City-Crystal, Central Montcalm, Greenville, Lakeview, Montabella, Tri County or Vestaburg public school district for at least six consecutive months prior to the last day of registration for the term for which the student is enrolled. Students are required to furnish proof of residency such as a driver's license or tax receipts.

### Refund Policy

Tuition and fees are 100 percent refundable during the enrollment and drop period. No refunds of tuition or fees will be made for withdrawals after the end of the enrollment period. Non-attendance or failure to officially drop classes during the drop period does not cancel the student's responsibility to pay for classes.

### Federal Refund Policy for Students Receiving Title IV Aid

Students who receive any form of Federal Title IV Student Financial Aid and withdraw from classes before completing 60 percent of the semester may be required to repay a prorated portion of the federal aid they received.

### Payment of Tuition and Fees

Payment for all registration is due by the designated due date for each semester. Due dates are noted in the Academic Calendar on page 14. After the specified date, payment is due at the time of registration.

### Payment Options

Tuition and fee payments may be made:

1. **Online at [my.montcalm.edu](http://my.montcalm.edu)** on the Finances tab, using a credit/debit card (MasterCard, Visa or Discover) or a checking account.

Students wishing to enroll in the payment plan must be registered for classes and enroll in the plan by the end of drop period. Students may make payments by automatic bank withdrawal or by charging to a credit or debit card (MasterCard, Discover, American Express or Visa). A non-refundable \$25 fee is required to enroll in this plan. There is a \$30 returned payment fee if a payment is returned for non-sufficient funds. If a credit/debit card is used, a convenience fee, in addition to the enrollment fee, will be assessed. To set up a payment plan choose the Set up/Manage Nelnet Payment Plan link on the finances page at [my.montcalm.edu](http://my.montcalm.edu).

# Tuition / Financial Aid /Dates to Remember

- 5. **Financial aid** - For students with completed financial aid files, aid will be applied to student accounts as Estimated Aid. If the award does not cover the balance in full, the student is responsible for paying the difference by the due date. If the student has applied for financial aid but the award does not appear on the account by the due date, the student must be prepared to pay the bill or enroll in the Nelnet payment plan in order to remain registered for classes.
- 6. **Employer or sponsoring agency** – An authorization must be on file with the MCC Business Office by the payment due date in order for MCC to invoice the authorizing agency. A written authorization must be completed each semester. For more information, contact Dean for Industrial Education & Workforce Training

Susan Hatto at [susan.hatto@montcalm.edu](mailto:susan.hatto@montcalm.edu).

- 7. **Senior scholarship** – Scholarships are available to persons age 60 or older who reside within the college district and will be subject to requirements currently in effect.
