

FALL 2022

credit course schedule

MONTCALM COMMUNITY COLLEGE

Registration Dates

Regular registration ends Aug. 19 at midnight. Late registration begins Aug. 20 and a class may be added until the first time it meets.

Registration	3
Fall Courses	5-26
Noncredit Courses	28-41
Recreational Offerings	42-43
General Information	44
Tuition/Financial Aid	45-46
Dates to Remember	46
Academic Programs	47

Montcalm Community College

LifeFocus
Fall Noncredit Courses are on pages 28-41

No doubt you are reading this on a nice summer day, but at MCC we are already focused on the start of Fall 2022!

Our students and the community are front of mind as we look to the fall semester. The most exciting news is that our students will get the opportunity to learn in a new space on campus. Our renovated Kenneth J. Smith Instructional Building will be ready to start fall classes. This is exciting as it holds more than half of our classroom space on campus, our math and science classes as well as an entire floor dedicated to our flagship nursing program and other health programs. The entire building will have dedicated rooms and spaces for students to study in groups or on their own.

Our commitment to the community continues. Not only is MCC more than halfway to its goal of achieving 10,000 hours of service, but you will also find noncredit courses within the course schedule. Noncredit courses provide continuous learning opportunities for our entire community.

Student access and success are important to us. Because of this, we recently pulled together all student services into one physical location on campus. Our Robert C. Ferrentino Student Services Center, in the Donald C. Burns Administration/Library Building, provides students with one place to go for all their questions, including applying and registering for classes, financial aid, or checking the status of their bill. Counselors are available to provide one-on-one advising to students, too.

Our MCC Express Conductor program supports student success by partnering students with a conductor to answer questions and help them every step of the way. We have had great success with students who utilize our Conductors. Students have higher grade point averages and are retained at a higher rate.

MCC is the place for you this fall! If you are a high school graduate, someone returning to college after a bit of time off, a dual enrollment student, or a guest student from another school, MCC has the right classes for you to transform your life through quality education.

Please feel free to reach out to me personally with any questions you might have about MCC.

Stacy H. Young, PhD

President, Montcalm Community College
Office (989) 328-1221
Cell (574) 596-2781
Email stacy.young@montcalm.edu

Steps to Register / Additional Information

Step 1: Apply online

Complete MCC's online application for admission at montcalm.edu/apply-now.

Step 2: Send transcripts

Arrange for official copies of your final high school/GED transcripts and college transcripts (if applicable) to be sent to the MCC Student Services Department at studentservices@montcalm.edu.

Step 3: Complete Financial Aid

Students are encouraged to complete the Free Application for Federal Student Aid (FAFSA) at studentaid.gov. Grants, loans, or work study positions may be available to those who qualify. MCC's school code is 002295. View all MCC scholarship opportunities at montcalm.edu/scholarships.

Step 4: Complete new student orientation online

New student orientation introduces you to MCC services and resources available to facilitate success as a student at MCC. Orientation is optional and offered online or in-person. Visit montcalm.edu/orientation for information.

Step 5: Placement Assessment

Placement assessment is needed in reading, writing, and math. The assessment takes about 1½ hours to complete. To schedule online or in-person or for more information email studentsuccess@montcalm.edu or call (989) 328-1264.

Step 6: Technology

Students must activate their MCC student account prior to registration. Go to montcalm.edu/login and follow the "First Time Password Request" process.

Once you have a password, access your account at login.montcalm.edu.

Your MCC email address is your username.

Step 7: Register

You may register for your classes online at my.montcalm.edu under the Academics tab. You may also make an appointment to meet with a counselor/advisor for assistance with registration by contacting MCC's Student Success Center at studentsuccess@montcalm.edu or calling (989) 328-1264.

Step 8: Pay for classes

Pay or arrange for payment of tuition and fees. For more information about financial aid options, see the Financial Aid section on pages 45-46.

Step 9: Purchase books

Purchase books at the MCC Bookstore, operated by Barnes & Noble, or online at montcalm.edu/bookstore. For more information please call (989) 328-1278. To purchase your books and supplies, please bring your:

- Current class schedule
- MCC student ID
- Billing statement

Learn as You Like at MCC

F2F	Live instruction where the instructor and students meet in a traditional classroom setting during a regularly scheduled course time.
FHYB	A class using both F2F and ONL approaches.
LOL	In-person instruction from the comfort of another location through a real-time online presentation, similar to Zoom or a Teams meeting, which allows interaction with the instructor and other students during a regularly scheduled course time.
LHYB	A class using both LOL & ONL approaches.
ONL	Instruction is completely online; however, proctored exams may be required.
CISOL	Coursework may be completed online or at a campus computer lab.

Educational Options

Dual Enrollment

The Dual Enrollment program at Montcalm Community College allows you to enroll in up to 10 college classes throughout your high school career. Successful completion of a college course grants you college credit as well as satisfies one of your high school graduation requirements, either a core requirement or an elective requirement, depending on the college course taken.

High schools provide tuition assistance for Dual Enrollment classes up to an approved dollar amount per course. The tuition allotment is the same regardless of the course.

Visit montcalm.edu/dual-enroll for more information.

Workforce Development

Montcalm Community College provides customized workforce training for your company's needs and helps connect employers with potential employees.

Apprentice Training

MCC will work with you to design an apprentice program to meet the skill needs and 576-hour education requirements of the Department of Labor apprenticeship program.

Workforce Education Training

MCC offers workforce education courses at its Greenville and Sidney campuses to meet the needs of the community. Courses include CNC, CNA, Pharmacy Tech, GD&T and computer skills. Your employees may be able to take one of our scheduled courses to advance their skills and provide more services to you.

For more flexibility, MCC also offers online training with a variety of vendors providing access to more than 1,000 courses.

Visit montcalm.edu/workforce for more information.

Fall 2022 Noncredit Courses

Citizen's Academy – Montcalm County

Taught by the Montcalm County Sheriff's Office and the Michigan State Police Lakeview Post. The course is free.

This eight-week academy gives citizens the opportunity to become familiar with the mission and operation of the MCSO and MSP, understand the procedures deputies and troopers follow, increase their awareness of law enforcement's role in the community and get to know personnel at the MCSO and MSP Lakeview Post. A graduation ceremony will take place Nov. 8 at 7 p.m.

Individuals who are interested in attending the Citizen's Academy should contact Montcalm County Sheriff Mike Williams at (989) 831-7596 or mwilliams@montcalm.us or Tpr. Steve Schutter at (989) 287-0320 or schutters@michigan.gov to receive an application.

Tues, Sept. 20-Nov. 8, 6-8 p.m.

Sidney

Career Certificates

Eligible students may have the following courses paid for by grant funding. Please contact Greenville Campus for more information at 989-328-1012.

Business

Business Management

Taught by Rob Spohr. The cost is \$1,500.

This course will cover the basics of business, marketing, retailing, management, and organizational behavior in a self-paced format. Students will receive 6 months to complete the course content. Upon successful completion, students will receive a certificate and the opportunity to obtain college credits. The course fee includes all required course materials.

Ongoing, Call to Register

Online

FANUC

MCC collaborates with FANUC to support their goal of "Partnering with Education" to help meet the growing demand for the skilled workforce needed in all aspects of today's manufacturing. A FANUC-certified instructor conducts all training at MCC and is committed to quality teaching and providing the best learning experience. MCC's lab is equipped with several FANUC industrial robots and classroom computers have FANUC Robotics ROBOGUIDE simulation software available for students to practice.

FANUC – Handling Tool Operation and Programming

Taught by Peter Murr. The cost is \$1,300.

Learn the tasks that an operator, technician, engineer or programmer needs to set up and program a FANUC Robotics Handling Tool Software Package. Learn to operate the teach pendant, navigate the controller software, power up and jog the robot, perform all jog methods, recover from common program and robot faults, execute production operations, understand all programming instructions, understand all positional information, understand all motion joints and create and execute MACROs. The course fee includes the FANUC training manual.

XIND 240 01

Fri, Sept. 9-30, 8 a.m.-4 p.m.

Greenville

Fall 2022 Noncredit Courses

FANUC iRVision

Taught by Peter Murr. The cost is \$1,200.

Learn the basic tasks and procedures required for an operator, technician, engineer or programmer to set up, teach, test and modify iRVision applications. Learn to identify the components of a vision system, install vision hardware, develop an application, program the robot, perform error recovery procedures and follow recommended safety practices. The course fee includes the FANUC training manual.

XIND 245 01 Fri, Oct. 14 & 21, 8 a.m.-4 p.m.

Greenville

FANUC Operations

Taught by Peter Murr. The cost is \$880.

Learn to power up and jog the robot, recover from common program and robot faults, and execute production operations. Also learn to create, modify, and execute the teach pendent program, and backup and restore individual programs and files. The course fee includes the FANUC training manual.

XIND 241 01 Fri, Nov. 4 & 11, 8 a.m.-4 p.m.

Greenville

Healthcare

Long Term Care Nurse Assistant

This course runs concurrently with the credit course, AHEA 103 01. The cost is \$999. Registration deadline is Mon, Aug 16.

Classroom lecture, simulated labs and supervised experience in long-term care facilities are combined to provide the basic nursing skills and knowledge necessary to provide patient care appropriately and safely. Upon successful completion, students are eligible for employment in health care facilities and to apply for the State of Michigan Competency test. A background check and reading score level one are required. You are required to provide proof of a current TB test, Hepatitis B, Varicella, MMR, tetanus and influenza immunization records (positive titers verifying proof of immunity to Hepatitis B, Varicella, and MMR will be acceptable in place of proof of vaccinations). The two sets of required scrubs, textbook with CD, lab supplies and badge holder are available at the MCC Bookstore or online at montcalm.edu/bookstore. Instructor will email details for the required course orientation.

XMED 103 01 Schedule To Be Determined

Sidney

CPR/BLS Health Care Provider

Taught by Jason Zamarron. The cost is \$65.

The American Heart Association BLS for Health Care Providers course prepares a wide variety of health care professionals to recognize several life-threatening emergencies and to provide CPR, use an AED and relieve choking in a safe, timely and effective manner. The course fee includes the cost of the book, mask and card.

Dental Assisting Program

Taught by CCI. The cost is \$1,199.

This 60-hour program prepares students for entry-level positions in one of the fastest growing health care positions – Dental Assisting. The purpose of this course is to familiarize the student with all areas of pre-clinical dental assisting and provide training in the professional skills required to function as an assistant in the dental practice. This course covers the following key areas and topics: Administrative aspects include the history of dentistry and dental assisting; introduction to the dental office; the legal aspects of dentistry; policies and guidelines. Clinical aspects include introduction to oral anatomy; dental operator; dental equipment, introduction to tooth structure; primary and permanent teeth; the oral cavity and related structures; proper patient positioning; dental hand-pieces; sterilization; and other areas. In addition to entry-level administrative jobs, this course is ideal for students interested in pursuing a future formal dental hygienist program.

Personal Enrichment/Community Courses

Arts

Welding Art

The cost is \$125.

In this combination beginning and intermediate level class, students will take their vision of a metal art object, whether it's a wall hanging, a tabletop piece, a garden object or an abstract sculpture and convert it into a real, steel object. After the project design is determined (either beginning or intermediate depending on your experience level), students will begin by observing and then, with the instructor's guidance and supervision, they will experience each step in the metal forming process: bending, cutting, welding, and grinding.

All equipment, tools, safety gear, protective clothing, and supplies for one small to medium sized art project are included in the cost of the class. NOTE: If you wish to build a larger sculpture, you will work with your instructor to determine the cost and source of additional materials. The class fee includes two "open lab" dates that will be determined the first night of class.

XWEL 170 01 Tues & Thurs, Sept. 13–29, 12:30-2:30 p.m. G224/Braman Center in Greenville

Introduction to Mixed Media

Taught by Sue Moss. The cost is \$44.

Learn to manipulate and combine materials into compositions that will prove to be both creative and unique. Supplies needed: Bristol pad of paper, black micron pen .005, ultra-fine black Sharpie pen, markers in assorted colors, colored pencils, tube watercolor set or Prang watercolor set, as well as a small brush, medium brush and large brush. This class is for those ages 16 and older.

XART 400 01 Mon, Sept. 12–26, 1-3 p.m. Greenville

Gouache "gwosh" Painting

Taught by Sue Moss. The cost is \$44.

Gouache is a rich and vivid opaque watercolor. Artists such as Turner and Matisse used gouache. In this class, students will explore how to use this medium in various ways from washes to areas of solid color. After mastering the fundamentals, students will create several pieces of art combining Gouache with charcoal and pastel. Supplies needed: Set of Gouache paint; watercolor paper; fine line and medium brush; chalk pastels; and a canvas panel size 11x14 inches

Greenville

Marvelous Micro Greens

Taught by Elizabeth Pitzer. The cost is \$39.

“Micro greens” are fast and easy to grow. They are used as bases in salads, especially during the winter, and as garnishes in soups, main dishes, side dishes and appetizers. When harvested at home just before serving, they are at the peak of nutritional value. Learn how to grow micro greens at home and reap the benefits. Participants will plant and take home to germinate a quart size container of micro greens.

XHFL 158 01 Wed, Oct. 5, 6-8 p.m.

TLC in Greenville

Fall 2022 Noncredit Courses

Bulb-Forcing

Taught by Elizabeth Pitzer. The cost is \$39.

Tulips, Daffodils and crocus are all harbingers of spring. Taking time in November to “pot up” these bulbs can lead to beautiful indoor displays during the cold days of late winter and very early spring. Learn how to give these spring beauties the conditions that they need to bloom and then how to get the most out of the bulbs afterwards. Students will go home with one fully planted pot of spring bulbs. These flowers will bloom in the late winter if kept in dark, moist, cold (but above freezing) conditions. Learn how to master this old-world technique in this easy class.

XHFL 170 01

Wed, Nov. 2, 6-8 p.m.

Greenville

Stamp-a-Stack

Taught by Elizabeth Pitzer. The cost is \$39.

Impress friends and family with a series of handmade cards that will lift winter spirits. Materials and instruction will be provided for each student to create a “stack” of 15 winter greeting, thank you, or Christmas cards. Students will learn simple stamping and paper crafting techniques that can be easily applied to future projects. Hints and tips for producing multiple cards quickly will also be discussed. Each of the fifteen cards will be complete with an appropriate and simple inside, and a matching envelope—ready to sign and hand to a friend or to slip into the mail.

XHFL 224 01

Wed, Nov. 30, 6-9 p.m.

Greenville

Beginning Crochet

Taught by Mollie Hollar. The cost is \$25.

In this basic crochet class, students will learn how to do simple crochet while creating a cute scrubby dish cloth. Students will need to provide a J - 10 size crochet hook and a skein of Yarn Bee Scrub-Ology Scrub It Yarn.

XPER 171 01

Sat, Sept. 10 & 17, 11 a.m.-1 p.m.

Greenville

Introduction to Knitting

Taught by Mollie Hollar. The cost is \$25.

In this basic knitting class, students will learn how to knit a pair of warm slippers using the knit and purl stitches. Student will need to provide a set of size 8 knitting needles and a skein of worsted #4 yarn.

XPER 192 01

Sat, Sept. 24 & Oct. 1, 11 a.m.-1 p.m.

Greenville

Basic Hand Sewing Skills

Recreational Offerings

MCC offers a variety of recreational offerings on its Sidney campus. Hours are Mondays through Friday from 7 a.m. to 8 p.m. Saturday and Sunday 12 - 4 p.m. Appointments are required for all users. Contact the MCC Recreation and Fitness Center by phone at 989-328-1259, email recreationdesk@montcalm.edu or stop by the desk in the Activities Building on MCC's Sidney campus to schedule an appointment. For more information, visit montcalm.edu/recreation.

Pool

MCC offers open swim, lap swim, water walking, water aerobics, swimming classes and more in its NCAA-sized indoor pool.

Fitness Center

MCC's air-conditioned, self-directed fitness center offers quality fitness equipment, treadmills, elliptical trainers, bicycles and a free-weight area. Personal orientation by trained staff is available upon request. Users must be aged 16 or older and must sign a liability waiver at the Recreation Desk prior to using the fitness center.

Gymnasium

Enjoy activities including basketball, volleyball, walking and more in MCC's Gymnasium.

Cornhole

Cornhole equipment may be borrowed at no charge at the MCC Recreation desk for use during regular open gym hours, and Recreation & Fitness Center monitors are available to set up the playing area.

Badminton

Badminton equipment may be borrowed at no charge at the MCC Recreation desk for use during regular open gym hours, and Recreation & Fitness Center monitors are available to set up the playing area.

Free indoor walking

Seniors aged 55 and older may join us for free use of our gymnasium for walking during regular open gym hours.

Pickleball

Pickleball combines many elements of tennis, badminton and ping-pong and is played with a paddle and plastic ball with holes. MCC has two indoor courts, and equipment may be borrowed at no charge at the MCC Recreation desk. Open pickleball is Mondays, Wednesdays and Fridays from 9 to 10 a.m. in the gymnasium on MCC's Sidney campus. You may also drop in during regular gym hours to play.

Climbing Wall

MCC's indoor rock climbing wall features an automatic belay system. Users younger than 18 must be accompanied by a responsible adult. All patrons must sign a liability waiver at the Recreation Desk prior to use of the climbing wall, and they must have their belt and shoes checked by the monitor before climbing. The college has belts and shoes available for use.

Recreational Offerings

Tennis

Sharpen your tennis skills on three recently resurfaced tennis courts available for use on MCC's Sidney campus. Tennis racquets and balls are available for users to borrow during regular hours, or users may bring their own equipment. There is no cost to use the tennis courts.

Disc Golf

MCC's 18-hole disc golf course on the college's Sidney campus is free to use. Discs are available to rent at MCC's Recreation desk, in the Activities Building, and are free for MCC students, faculty and staff with a valid MCC ID, and any community member with a valid MCC Recreation pass. All others may use a disc for a \$2 fee.

Kenneth J. Lehman Nature Trails

Take a hike on the Kenneth J. Lehman Nature Trails to experience nature's beauty. More than four miles of trails are marked with numbered trail posts, and maps are available at most major trail heads. There is no charge to visit these beautiful trails, which wind through forests, grasslands and wetlands.

Lena Meijer Heartland Trail Connector

The Lena Meijer Heartland Trail Connector runs along paved shoulders on both sides of Sidney Road from the Heartland Trail east to the Montcalm Area Career Center, which transition to a separated pathway headed north around the Career Center and then east to MCC's Sidney campus, where you can connect with all of the college's recreational offerings.

Swimming Lessons

The MCC Recreation & Fitness Center offers several types of swimming lessons, including group and private lessons, for varying age and skill levels. All swim lessons are taught by MCC instructors who are American Red Cross Certified Water Safety Instructors (WSI).

- September 24 & 25
- November 5 & 6

General Information

Transfer and articulation

Students can start at Montcalm Community College, complete general education requirements at a fraction of the cost of attending a university or private college, and still go just about anywhere from here to continue their education.

MCC offers 58 associate degree, certificate and job training programs. The highest degree offered by MCC is the associate degree. Any degree completed at MCC can serve as the starting point for a bachelor's degree, although transfer credits may differ based on program, type of classes and transfer school and major.

MCC participates with the Michigan Transfer Agreement (MTA), which allows students to complete general education requirements at one college or university, then transfer those courses to meet general education requirements at another college or university, without any special exceptions.

Articulation agreements also provide options for seamless transfer into a variety of advanced-degree programs at other institutions.

Academic advising is available to help students determine their program options, course selections and transferability. An appointment may be made by contacting MCC's Student Success Center at studentsuccess@montcalm.edu or call (989) 328-1264.

General information

Academic Advising

Students are encouraged to meet with a counselor or academic advisor prior to registering. For an appointment, contact MCC's Student Success Center by emailing studentsuccess@montcalm.edu or calling (989) 328-1264. Transcripts from high school and any colleges attended should be on file at MCC as well as orientation and assessment testing results before

meeting with an academic counselor or advisor.

Assessment

Academic assessment using ACCUPLACER is required for all students pursuing a program of study at MCC or who wish to enroll in a course with a test score listed as a prerequisite. ACT and SAT test scores from within the past five years also are accepted. For information about test score requirements, visit montcalm.edu/accuplacer. Test scores must be on file in Student Services. New students must complete and submit an Application for Admission prior to testing. Students exempt from testing are those who have previously completed the ACCUPLACER test, have earned an associate or bachelor's degree, are age 60 or older, audit classes or obtain a waiver from the instructor.

Auditing a Course

Those wishing to audit a course must complete and submit a Course Audit Form, available in Student Services or from my.montcalm.edu under the forms link on the Academics tab. Audit status must be indicated at the time of registration. Students do not receive credit or a grade for audited courses and are not eligible for financial aid or veterans benefits. Completed audit forms can be turned in at registration or faxed to the attention of Enrollment Services at (989) 328-1203 or emailed to registerhelp@montcalm.edu (please include Course Audit in the subject line).

Corequisites and Prerequisites

A prerequisite is a requirement that must be successfully completed prior to enrollment in another course. A corequisite is a requirement that must be completed before or at the same time as another course. All exceptions require written departmental approval.

Tuition / Financial Aid

Tuition & Fees

Please visit montcalm.edu/tuition for current tuition and fee information. Tuition and fees are subject to approval of the MCC Board of Trustees.

Residency

Residents of the MCC district have lived in the Carson City-Crystal, Central Montcalm, Greenville, Lakeview, Montabella, Tri County or Vestaburg public school district for at least six consecutive months prior to the last day of registration for the term for which the student is enrolled. Students are required to furnish proof of residency such as a driver's license or tax receipts.

Refund Policy

Tuition and fees are 100 percent refundable during the enrollment and drop period. No refunds of tuition or fees will be made for withdrawals after the end of the enrollment period. Non-attendance or failure to officially drop classes during the drop period does not cancel the student's responsibility to pay for classes.

Federal Refund Policy for Students Receiving Title IV Aid

Students who receive any form of Federal Title IV Student Financial Aid and withdraw from classes before completing 60 percent of the semester may be required to repay a prorated portion of the federal aid they received.

Payment of Tuition and Fees

Payment for all registration is due by the designated due date for each semester. Due dates are noted in the Academic Calendar on page 14. After the specified date, payment is due at the time of registration.

Payment Options

Tuition and fee payments may be made:

1. **Online at my.montcalm.edu** on the Finances tab, using a credit/debit card (MasterCard, Visa or Discover) or a checking account.
2. **By mail**, using check or money order. Please include the student's name and MCC ID number on the check. Payments should be mailed to: Montcalm Community College, 2800 College Drive, Sidney, MI 48885.
3. **In-person** in the Donald C. Burns Administration/Library Building on MCC's Sidney campus at 2800 College Drive, or in the Stanley and Blanche Ash Technology and Learning Center on MCC's Greenville campus at 1325 Yellow Jacket Drive.
4. **Nelnet payment plan** – MCC offers a convenient monthly budget plan through Nelnet Business Solutions to pay tuition and fees. Students wishing to enroll in the payment plan must be registered for classes and enroll in the plan by the end of drop period. Students may make payments by automatic bank withdrawal or by charging to a credit or debit card (MasterCard, Discover, American Express or Visa). A non-refundable \$25 fee is required to enroll in this plan. There is a \$30 returned payment fee if a payment is returned for non-sufficient funds. If a credit/debit card is used, a convenience fee, in addition to the enrollment fee, will be assessed. To set up a payment plan choose the Set up/Manage Nelnet Payment Plan link on the finances page at my.montcalm.edu.
5. **Financial aid** - For students with

Tuition / Financial Aid /Dates to Remember

completed financial aid files, aid will be applied to student accounts as Estimated Aid. If the award does not cover the balance in full, the student is responsible for paying the difference by the due date. If the student has applied for financial aid but the award does not appear on the account by the due date, the student must be prepared to pay the bill or enroll in the Nelnet payment plan in order to remain registered for classes.

6. **Employer or sponsoring agency**
– An authorization must be on file with the MCC Business Office by the payment due date in order for MCC to invoice the authorizing agency. A written authorization must be completed each semester. For more information, contact Dean for Industrial Education & Workforce Training Susan Hatto at susan.hatto@montcalm.edu

montcalm.edu.

7. **Senior scholarship** – Scholarships are available to persons age 60 or older who reside within the college district and will be subject to requirements currently in effect. Students using this scholarship will be required to pay the material fee and college services fee. Students wishing to use this scholarship must contact the MCC Business Office at busoff@montcalm.edu after they have registered in order to request the scholarship be applied to their account.

Financial aid

Students are urged to complete the Free Application for Federal Student Aid (FAFSA) well in advance of the semester for which they plan to register. Visit montcalm.edu/financial-aid for more information about MCC's financial aid.
