

SCIENCE LAB WORK STUDY POSITION

APPLICATIONS TAKEN FROM NOW

Until Filled

Fill out the electronic application online and attach your current school schedule. If you have any questions please contact Madison Morgan-Crater, Human Resources Assistant, at madison.morgan@montcalm.edu. Please make sure you list what **position(s)** you are applying for on your application.

Science Lab Work Study

The student will learn how to use the Anatomage virtual cadaver table and utilize the content to create study sets for various organ systems, animals or other sets deemed useful by the instructor/science department. The student will create a presentation of the selected topics or case histories that can be shared with all faculty and future students at MCC.

The objectives include:

- 1) Proficient use of the table
- 2) Developing study sets or activities related to specific topics for use by future students/instructors
- 3) Creating a presentation about a specific topic or case history utilizing the content by Anatomage

Up to 25 hours a week is available at \$10.62 / hour.

****Work-Study students must have a completed a 2022-23 financial aid file and be eligible for funding.**

Federal College Work Study (CWS): This program offers work, on or off campus, to students with financial need to help meet their educational expenses. Jobs are arranged after considering the amount of the award and the student's class schedule. Students are paid bi-weekly.
